## The PTC Newsletter is GOING GREEN....

Beginning in 2012, PTC newsletters will no longer come home in Thursday envelopes. They will be available online on our website, [www.powersptc.com](http://www.powersptc.com).

A limited number of  paper copies may be available in the office if you do not have computer access.

 **Clip your BOX TOPS and send them to school.**

So far this year we have raised \$432.  
Our GOAL is to raise \$2,000.

Check our progress on the Thermometer in the Gym!

Communications Update

The PTC is now sending out communications via email. If you are not receiving these emails, please contact Amy Peterson at [amy@obsolution.net](mailto:amy@obsolution.net)

If you would like to receive the Alert Now messages from the school at a different phone number than you are currently receiving them, contact the school office.

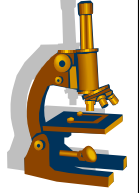

**2012 Auction News:  
"Pirates and Pearls"  
April 27th**

**Watch for announcements regarding Committee Meetings.**

**HELP NEEDED** to decorate for the Holiday Boutique that will be held at HCP on Saturday, Dec 10th in conjunction with the Holiday Home Tour. Visit [lbec.net](http://lbec.net) for more info. Please contact Nancy Von Thaden at 343-1168 if you can help decorate on Friday, Dec 9th after school.

## News From the Garden

### Pumpkin Sales

Thank you to all who participated in the great pumpkin purchase this season!

You helped earn well over \$1,000 toward the building of the new Del Oro Aqua Center.

### Scrappy Hour Fundraiser Night

Thank you all who participated and helped with our first HCP Scrappy Hour at Green Tangerines!

Everyone had a great time, and went home with a fun homemade card with the help of Mrs. Nielsen.

Food was provided in part by our school vegetable garden, so dinner was made as fresh as the scrapping!

### Vegetable Garden Farmers Market

Veggie sales this fall topped over \$400. Combine that with a \$500 grant from the Sierra College Horticulture Club, and our garden now has some wonderful new structures and its very own tool shed.

Plans for the winter are to plant winter veggies, and 4<sup>th</sup> grade will be using the back field for their science project in Feb/Mar. Keep your eye out for exciting changes in the garden this year!

As always, please let me know if you'd like to involve your child's class in the garden. Contact Lara: 916-847-7745 or [lara@sierraviewnsy.com](mailto:lara@sierraviewnsy.com)

**Purchase water droplets to raise money to provide our partner school, Agoma Primary School in Uganda, with a clean water supply. For more info, contact the school office.**
